HANDY TIPS FOR YOUR FESTIVE JOURNEY

Leaving for a holiday can be a very stressful experience, especially for the driver, what with everyone excited and anxious to get there yesterday. The key here is to prepare in advance, slow down and to enjoy the journey.

- Make sure your vehicle AND trailer / caravan licenses are displayed and up to date
- Don't leave without your drivers license/s
- Remember the toll fees along the way
- Pack & check your vehicles emergency equipment i.e. jack, wheel spanners, warning triangles and if you're going to Mozambique or similar, the puncture kit, tow straps, compressor and basic tools.
- Be courteous and considerate towards other road users - road rage is not fun for anyone.
- Lastly plan your trip so that you have sufficient comfort breaks and rest stops included for you and your family. It's NOT a waste of time and remember you're already on holiday when you leave the house not only when you've reached your destination, dad!
